

# Commercial Health Screenings

**REDIMED** is your total health solutions provider using expertise and innovation to drive superior outcomes for organisations and their people wherever, whenever.

# Commercial Health Screenings

## Welcome to REDIMED

We believe in a proactive approach to ensuring a healthy workforce. It makes good business sense and is why we are ceaselessly pioneering innovative health care solutions that result in superior outcomes for employers.

Our primary focus is to optimise your employees' health through delivering 'best in market' total health care solutions including early intervention and injury preventative screenings through to 24/7 emergency assistance and clinical rehabilitation.

## Commercial Health Screening

REDIMED's comprehensive pre-employment medicals allow employers to ensure their candidate has the required physical capacity to perform their job safely.

Our pre-employment medicals are performed and assessed by REDIMED's Medical Practitioners and Exercise Physiologists who specialise in occupational medicine, injury screening, prevention and rehabilitation.

REDIMED's tailored health screening services include:

- Role, task & site specific pre-employment medicals
- Functional capacity & musculoskeletal assessments
- Drug & alcohol screening
- Audiology & spirometry
- Health surveillance
- Mental health & lifestyle questionnaires
- A range of specific assessments including Railcat and Commercial Vehicle assessments

## Pre-Employment Medicals & Functional Assessments

REDIMED's medical and functional assessments are specifically tailored to your organisation's unique requirements. Our pre-employment medical screening tool has been designed by our Specialists and Allied Health Professionals, enabling us to focus on the key risk factors contributing to injury.

Our experience and expertise allows us to deliver an unparalleled assessment. REDIMED completes pre-employment medicals for many companies over a diverse range of industries which has provided our practitioners with exposure to many roles, and a comprehensive understanding of different job requirements. We design our functional assessments based on the specific requirements of each job role. Prior to the provision of services, our experienced team can also visit your site to effectively develop an assessment tailored to the job requirements in terms of strength, flexibility, muscular endurance and aerobic fitness.

REDIMED provides a comprehensive range of pre-employment screenings to a wide variety of industries including:

- Mining & resources
- Oil & gas
- Construction
- Civil & earthmoving
- Transport & logistics
- Flight & baggage services
- Correctional departments & security
- Gaming
- Hospitality & support services
- Commercial diving
- Health care & disability services
- Engineering & maintenance

REDIMED understands the importance of providing an efficient service to minimise any delay in the recruitment process and offers easy access through phone and online bookings with rapid result turnarounds.

## Drug & Alcohol Screening

REDIMED offers a full range of drug & alcohol screenings tailored to your organisation's requirements. Our screenings can be delivered on and off site by one of our accredited health professionals in accordance with the ANZ/AS/NZS 4308:2008.

Our drug & alcohol screenings include:

- Instant drug screens
- Breath alcohol test
- Laboratory drug & alcohol screen
- GCMS/LCMS confirmatory testing

## Health Surveillance

Health surveillance is an important factor in the duty of care of an employer, particularly in workplaces where employees are potentially exposed to hazardous environments.

We can periodically assess the health of employees which, may be required by law in workplaces with employees exposed to noise, vibration, ionising radiation, solvents or substances hazardous to health.

The most common environmental hazards in Australian workplaces are:

- Asbestos
- Isocyanates
- Heavy metals (lead, iron, cobalt, zinc, manganese, mercury)
- Noise

Our specialist Occupational and Environmental Medical team collects data points and reviews patient levels to provide your business with a detailed health surveillance report incorporating implementation strategies for reducing biological and environmental hazards in your workplace.

## Onsite Services

Our team of Medical Professionals offers a comprehensive range of onsite services to minimise cost and disruption to your core business.

REDIMED's onsite services offer easily accessible medical and health screening without compromising our service quality. Onsite services include:

- Pre-employment medical screening
- Drug & alcohol screening
- Vaccinations
- Skin checks
- Ergonomic assessments
- Health surveillance

## Online Booking System

REDIMED has developed an easily accessible and efficient online booking system which enables our clients to make pre-employment bookings via our website. The simple, easy to use system allows for a fast and efficient booking process. Our team can create and personalise any pre-employment medicals specific to your company's needs allowing you to select pre-determined packages to save time and repetition when booking.

## Locations

REDIMED operates from three primary Perth locations in Belmont, Joondalup and Rockingham and provides onsite mobile health services to workplaces throughout Western Australia.

In addition to REDIMED's clinics, we have a widespread network of alliance clinics encompassing regional Western Australia and major centers throughout Australia with strict protocols in place to ensure all clinics meet our high performance and quality standards.

## The REDIMED Difference

When an injury occurs at work, the financial and operational costs can be significant.

REDIMED provides a fully integrated, comprehensive and proactive approach to preventing and mitigating the impacts of workplace injuries.

We perform some of the most comprehensive pre-employment medicals on the market, conducted by our highly qualified and experienced Medical Practitioners.

We also offer customised health & wellness programs that aim to mitigate workplace illnesses and injuries and ensure that your workers are kept in optimal health.

If a workplace injury does occur or an employee experiences an unrelated illness onsite, our urgent care

and injury management services are second to none.

When you use REDIMED's commercial health services the results are two-fold. We get to know your employees' level of health and physical capabilities on an individual basis. We also get to know your workplace.

This means our injury rehabilitation & allied health services can streamline the process of getting your employees back to work faster. And we do all this while ensuring our patients receive the highest standards of clinical care.

Because delivering superior total health solutions is what we do best.

That's the REDIMED difference.

For more information regarding our services, please visit our website or contact a member of the REDIMED team, we're always happy to help.
